**Student** Arnav Choudhary **Gender** M **Patent:** N

**963-4508**

Year Level: 7-8                      Group Entry: N                      Students: 1  
Category: Games                      Keycode: UT5FVGWN  
Title: Sir Science

# How to access the game:

1. Go to the link: <https://turbowarp.org/717662951/fullscreen> or scan the qr code →

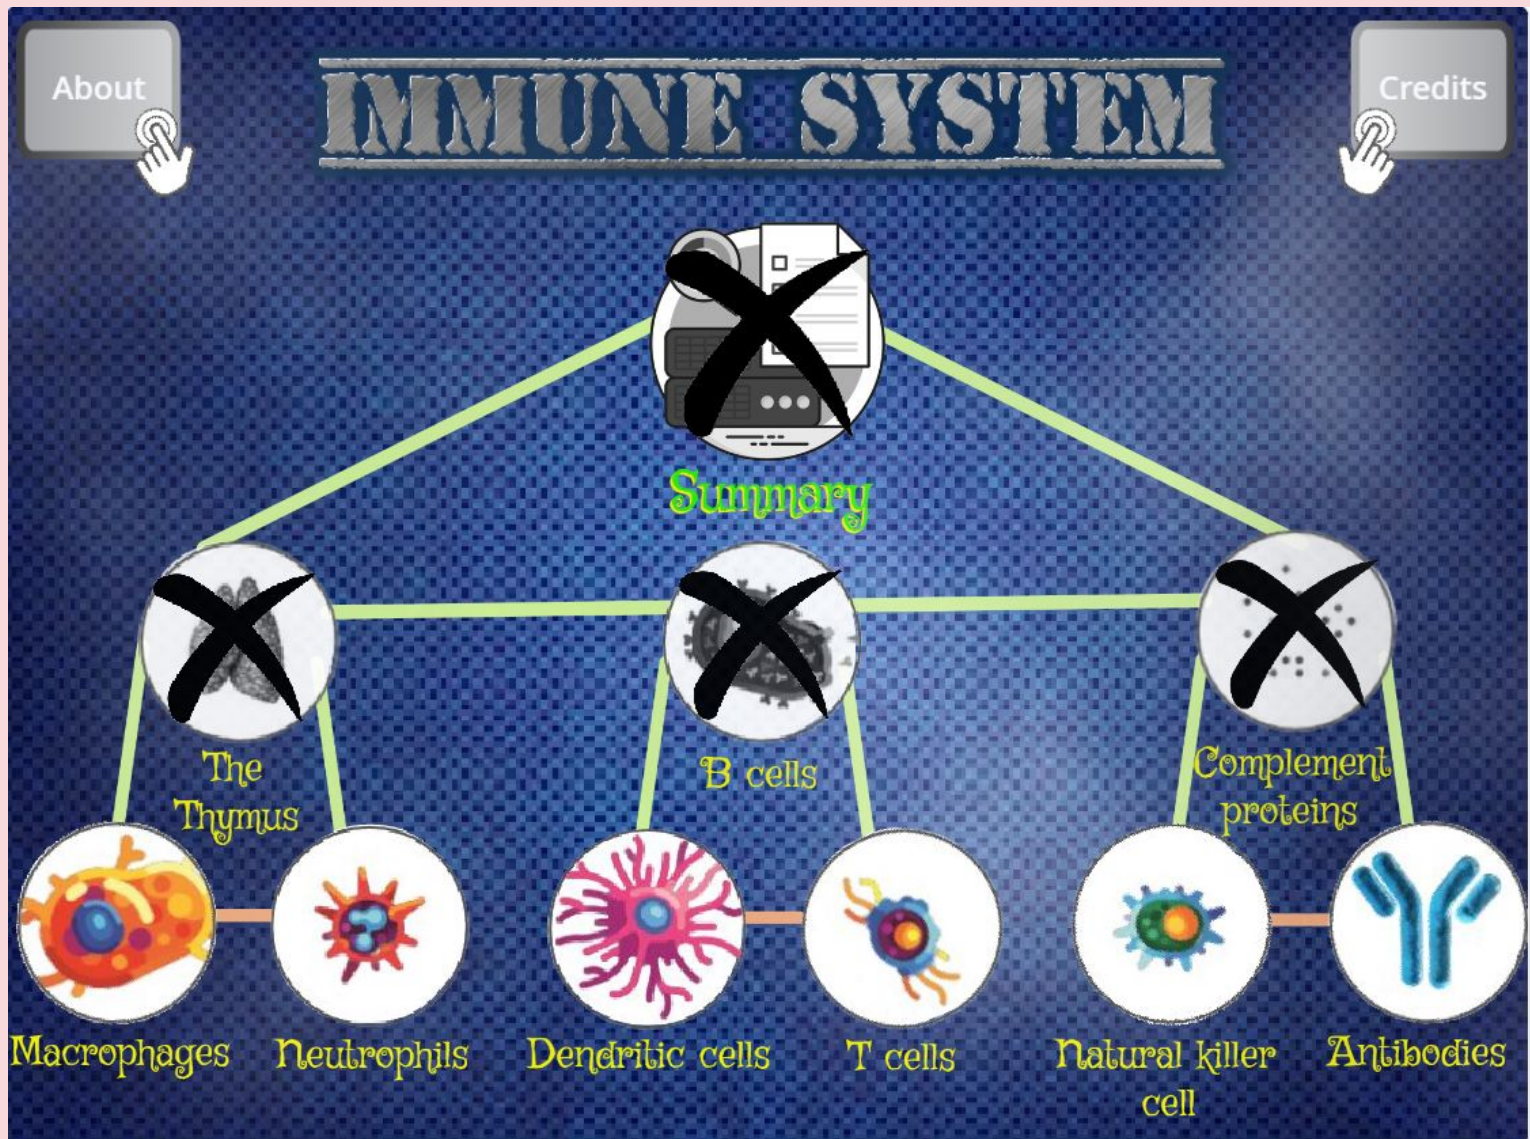

2. When the game loads, click on the big green flag in the middle of the screen to start the game.
3. At the top left, you will see 3 buttons: a green flag, a pause button and a red button. DO NOT click the red button. To stop/pause the game, use the middle button. To restart the game press the green flag (might have to click it twice)

# Instructions on playing the game:

1. After clicking on the play button, you should see multiple different images and some images that are crossed.
2. At the beginning, you can only play the games on the bottom row, to unlock the games above, you have to complete the games connected to it through lines.
3. Click on any games that are available to play them. Other instructions/information required are provided in the games.
4. Enjoy!

**The screen you should see after clicking on the play button**
