

# Programming, Apps & Robotics Project Checklist

## Elements of your project

- Written report including:
  - The aim of the entry, and its scientific purpose and potential applications
  - The type of robot or computer/device required to run the program
  - Clear instructions on loading or using the entry
  - A hard copy of the program and an explanation of what the sections of the program do
  - Acknowledgment of any external support provided to the entry
  - A bibliography that acknowledges relevant sources of information.

## Online submission (required)

- Electronic copy of your report / programming details (PDF, Word document or .jpeg) – including links to your program/app or videos/photos of your robot in action
- Cover sheet (given to you by your coordinator)

**Project submitted online:** between Friday 6 June – Sunday 29 June

## Appointment (required)

- Book an appointment for judging online when they open from 6 June – 23 July
- At the appointment **you are required to bring your own entry with you for judging** – this includes your own device / laptop to demonstrate your project and you need to ensure you have internet access if needed – *WIFI access will not be provided for you.*

**Judging day:** Saturday 26 July
